## Basket of Diamonds

Fabric scrap guidelines for one Basket of Diamonds 6" block (Bring enough scraps for 2-3 blocks.) These sizes are guidelines only. I'd prefer that exact cuts are not made until class.

- Background - at least a 10" x 10" square
- Dark points (2) - at least 2" x 10" strip
- Contrasting points (2) - at least 2" x 10" strip
- Basket - at least a 6" square

Tools:

- Small scissors to cut thread
- Sharps needle (I like size 11)
- Pencil - regular graphite (mechanical pencil is good)
- Small rotary cutter and cutting board
- Ruler with 1/8<sup>th</sup> inch marks and 45° line
- Nice to haves: Needle threader, thimble, 6" C-Thru ruler, Thread Heaven

Supplies:

- Neutral colored sewing thread (I like DMC color 642 but any thread will do)
